helps teachers appreciate and find joy in the everyday discoveries that delight a child and helps them to thoughtfully observe and use what they learn to respond to children's interests and needs

this volume focuses on play as the basis for curriculum and shows how infant toddler educators can combine theory and practice taking into account both the physical and social environments through case descriptions of actual children this insightful volume discusses how to accommodate children with different development levels backgrounds personalities and special needs the authors also examine infant toddler curriculum in the context of family community and society and explore ways to enhance curriculum quality

this book gives child care providers the practical guidance they need to serve infants and toddlers with and without disabilities in inclusive settings

this guide is designed for training teachers in the use of the innovations curricula for infants and for toddlers the innovations program is based on the view that

curricula for young children should involve thinking and planning for everything that can contribute to child development as well as the teacher's relationship with the child and the family. This guide is organized in two sections. Section 1 contains an 8-hour training session providing a comprehensive introduction to the innovations. Curricula included in this section are a list of preparation steps, a list of handouts, overheads, and materials needed, and a detailed planning grid and agenda for conducting workshop activities. Section 2 contains 29 training modules designed to be used in inservice, preservice workshops or in biweekly, monthly staff meetings. Seven of these training modules address the following aspects of child development: theory, principles of development, physical development, attachment, temperament, play, brain development, and intellectual development, language development and literacy, and social development and social problem solving. Topics for the remaining training modules are: 1. developmental tasks, 2. observation and assessment, 3. interactive experiences, 4. parent partnerships, 5. curriculum planning process, 6. environments, 7. dramatic possibilities, 8. sensory art possibilities, 9. curiosity possibilities, 10. construction possibilities, 11. music movement possibilities, 12. literacy possibilities, 13. outdoor possibilities, 14. projects, 15. prop boxes, 16. picture files, vocabulary, 17. guidance and discipline, 18. biting, 19. aggression, 20. social problem solving, 21. toileting, and 22. portfolios. Each training module includes an outline for the workshop providing information on activities, the training technique used, and necessary materials. The guide's appendix includes the forms, checklists, worksheets, and information summaries used in the workshops. kb

drawing from the core idea that infant and toddler care should be based on building relationships, this trainer's guide is intended for program directors, staff, and instructors who are using the Creative Curriculum for Infants/Toddlers. Part one of the guide provides background information about the Creative Curriculum and describes the standards that define quality programs. This section also offers suggestions for professional development of caregivers and teachers, creating a positive learning environment, learning about and using the curriculum, and individualizing staff development. Part two of the guide offers a comprehensive series of workshops designed to introduce and involve caregivers and teachers in learning about and applying the curriculum in their own settings. The workshops can be incorporated into a series of college courses or offered on site as part of ongoing staff development that enhances the career goals of each caregiver and teacher. The workshop series addresses all of the chapters in the Creative Curriculum. Camera-ready handouts and references to the applicable sections of the journal and the curriculum are provided. The guide's resources section provides an annotated list of books and videos that complement the workshops and a list of applicable web sites. author

The purpose of the Infant/Toddler Curriculum Framework is to provide early childhood professionals with a structure they can use to make informed decisions about curriculum practices. The framework is based on current research on how infants and toddlers learn and develop in four domains described in the Infant/Toddler
